

## get technical

- The Conference Center at GTCC is sure to accommodate your technology needs for a dynamic event.
- All packages include the following Audio Visual features:
  - VGA or HDMI Presentation capabilities with drop down screens and built in projectors
  - Integrated in-room sound and use of wireless or wired microphones; customized to the guest count, meeting space and event logistics
  - Podium (or Computer Desk/Lectern combo), adjustable lighting and wireless high speed internet
  - Technical support on your event day and trouble shooting as needed
- We also offer additional items on a reservation basis such as laptops, poly com audio conference technology, mobile LCD screens, power strips, slide presenters and laser pointers. Limited quantities of these resources are available, so please book in advance.
- A la carte items can be added to your package such as printer set ups, copy jobs, flip chart sets and business meeting place settings.
